

## Take the Shark Swim Challenge

South Africa  
21 May - 9 June, 2010

We urgently need two more people for the tour to run!

The Shark Swim Challenge is a unique adventure for travellers wanting to test their courage and help save our last sharks.

Book now and we'll take up to \$1000 off the fundraising target.

You can help increase awareness about the plight of our sharks by:

- interacting with Great Whites and Whale sharks off the coast of southern Africa;
- experiencing the wonder of some of Africa's most renowned wildlife reserves and beaches; and
- supporting the Nature Conservation Council's vital conservation work off the Australian coast.

Book before Monday 22 February and we'll take up to \$1000 off your fundraising target.

You can raise awareness on marine issues and funds by hosting events, making a splash in the media or blogging/tweeting about your experience.

Register Now for a once-in-a-lifetime chance to get up close with sharks in their natural habitat. Call Tristanne at Inspired Adventures on 02 9262 9880 or email: [tristanne@inspiredadventures.com.au](mailto:tristanne@inspiredadventures.com.au)
